

Conditions of participation for the Elephant Parade 2022/23
painting competition

The painting competition is aimed at children between the ages of 3 and 12. Three colouring boxes with white miniature elephants for children to colour in themselves will be drawn. The pictures will not be divided into age groups for the draw and will therefore be drawn at random.

To participate in the competition, it is mandatory to send the painted picture by e-mail to marketing@laax.com. In addition, the address (surname, first name, home address) of an adult (over 18 years) is required. Participation in the competition is free of charge. Cash payment of the prize is not possible. The legal process is excluded. The data will be used exclusively in accordance with Swiss data protection law. In particular, no data will be passed on to third parties. By submitting a work of art, the conditions of the competition are accepted without reservation. The closing date for entries is 17 April 2023. The winner will be informed in April 2023.
